## ACTIVITY NOTES

## My Notes

### **Part 1** (*listen and write*)

Distribute the handout (page 1) to your students, and then dictate the questions on page 2. Make sure your students understand that, for many of the questions, there may be two possible answers (for example, Q: “Do you usually eat breakfast? A: “Yes, I do,” or “No, I don’t.”)

### **Part 2**

Distribute page 2 (one half to each student) so they can check their answers.

### **Part 3** (*listen and speak*)

After they check their answers, have your students seated together with a partner. Assign one student to be a ‘teacher’ who will read the questions to his/her classmate (‘student’), while the classmate answers the questions verbally (make sure the ‘student’ does not look at the Answer sheet.) When finished, have them switch roles, and continue.
